Education

High School / Grade 12 Student

September 2017 - June 2021

CPR/AED Level C

I am certified through the Canadian Red Cross for Cardiopulmonary Resuscitation and the use of an automated external defibrillator.

Employment History

Court Monitor

I worked at the Flying Squirrel North location as a court monitor. I ensured customers safety and strived to provide an enjoyable experience to all of the trampoline users.

Basketball Referee

I reffed basketball through the Calgary Minor Basketball Association. I attended a basketball referee clinic and passed an exam to hold a certified referee status. I monitored the rules of the game well, with some teaching involved for the younger players.

Awards

High School Honour Roll each year.

Junior High Honour Roll each year.
